“The difference between those who live in surplus/abundance and those who live with not enough is not spirituality but understanding.” - Tom Garrett

- Proverbs 4:7 NIV[7] The beginning of wisdom is this: Get wisdom. Though it cost all you have, get understanding.

II Kings 4:1-7

Understanding What Makes Money Flow To You (Five Keys)

The power to change your financial circumstance is not “out there”, it’s **in you**.

II Kings 4:2 [Amplified Bible] “... Tell me, what have you [of sale value] in the house?”

- **Key #1:** You must understand the importance of **recognizing value** .
 - value - the importance, worth, or usefulness of something; b. the material or monetary worth of something

“What you don’t have is not nearly as important as what you do have, because God is not trying to work with what you don’t have, He wants to work with what you do have.” - Tom Garrett

- **Key #2:** You must understand the power of a **plan** .
 - plan - a set of actions that have been thought of as a way to do or achieve something

“The Lord is in the miracle business, but He’s even more a planner than He is a miracle worker. The Lord is a mighty Deliverer and Healer, but He’s even more a planner than He is a Deliverer and Healer.” - Tom Garrett

- If you don’t understand this key as it relates to finances, you will always be looking for miracle from God when you should be looking for a **plan** from God.

- **Key #3:** You must understand the principle of **capacity**.
 - capacity - a. the maximum amount or number that can be contained or accommodated; b. the ability to do something: a mental, emotional, or physical ability

II Kings 4:3 NLT[3] “...Borrow as many empty jars as you can from your friends and neighbors.”

“*God will only increase your flow to the level of your capacity to contain it.*” - A Bunch of People

- Following God’s plan requires capacity, but it will also require **audacity**.
- **Key #4:** You must understand the significance of **multiplication**.
 - multiply - to increase greatly in number or quantity

“*God does not want you to just be fruitful, He wants you to multiply*” - Genesis 1:28

“*If you just want to be delivered or rescued, you only need one container, but if you want to multiply and experience a flow (financially), you will have to multiply your capacity.*” - Tom Garrett

- **Key #5:** You must understand the art of **selling**.

II Kings 4:7 NKJV “...Go, sell the oil and pay your debt; and you and your sons live on the rest.”

- selling - the act of serving by making goods, products, ideas, skills, or services available to those who need, desire, and benefit from them .

“*Ultimately selling is about relating to, and serving people. Therefore, no matter your gifting, purpose, or vocation, everyone can benefit from gaining an understanding of the art and science of selling. It will definitely increase your level of influence, impact, and income.*” - Tom Garrett
